Sep 7-10th 2021, Milano, Italy

SYMPOSIUM OVERVIEW

Ver.2 Jan 2021

SCOPE

PCNS Passive Components Networking Symposium is a bi-annual international symposium organized by EPCI European Passive Components Institute in co-operation with an European university

3rd edition of the PCNS Passive Components Networking Days Symposium is hosted by Department of Chemistry, Materials and Chemical Engineering "Giulio Natta" and Department of Electronics, Information and Bioengineering Faculty of Politecnico di Milano.

It is intended as a live event with speakers present with streaming options for virtual attendees

MISSION

PCNS networking symposium mission is to promote the discussion of recent developments and trends in the field of passive electronic components and to encourage the exchange of technical expertise and information covering a broad range of EEE passive components.
