**Symposium: 4th PCNS Passive Components Networking Days
11-14th September 2023, Sønderborg, Denmark**

1. **Publication Rights:** The undersigned, desiring to publish the above presentation paper in the proceedings of the referenced conference and both paper and presentation slides in pdf at the EPCI websites, hereby transfer the rights to publish to EPCI.
2. **Returned Rights:** In return for these rights, EPCI hereby grants to the above author(s), and the employers for whom the work was performed to:
 - 2.1 Retain all proprietary rights other than publication rights in the PCNS Proceedings and EPCI website, such as patent rights.
 - 2.2 Reuse all or portions of the above paper in other works.

2.3 Reproduce, or have reproduced, the above paper for the personal use of the author(s) or for the company use provided that (a) the meeting where the paper was presented is acknowledged; (b) the copies are not used in a way that implies EPCI endorsement of a product or service.

2.4 Make limited distribution of all or portions of the above prior to publication by EPCI.

2.5 In the case of work performed under government contract, EPCI grants the said government royalty-free permission to reproduce all or portions of the above paper and to authorise others to do so for the said government purposes.

3. EPCI Obligations: In exercising its rights under Publications Agreement, EPCI will make all reasonable efforts to act in the interests of the author(s) and the author(s) employers as well as in its own interests. In particular EPCI requires that:
 - 3.1 The consent of the first-named author is sought as a condition in granting republication permission to others.
 - 3.2 The consent of the speaker's employer is obtained as a condition in granting permission to others to reuse all or portions of the paper for promotion or marketing purposes.

4. Non-Acceptance: In the event that the above paper is not accepted and published by EPCI or is withdrawn by the author(s), this agreement becomes null and void.
