

## Passive Components Networking Days

5th PCNS Passive Components Networking Days Symposium  
Sep 9-12<sup>th</sup> 2025, Seville, Spain

## SYMPOSIUM OVERVIEW

Ver.3.

### SCOPE

PCNS Passive Components Networking Symposium is a bi-annual live presence only international symposium organized by EPCI European Passive Components Institute in co-operation with a European university.

**5th edition** of the **PCNS** Passive Components Networking Days Symposium is hosted by Escuela Técnica Superior de Ingeniería de Sevilla of **Universidad de Sevilla, Spain** in partnership with **Alter Technology**.

### MISSION

PCNS networking symposium's mission is to promote the discussion of recent developments and trends in the field of passive electronic components and to encourage the exchange of technical expertise and information covering a broad range of EEE passive components.
